

March 20, 1978

LR 104
LB 663, 800

PRESIDENT: The bill is advanced and the suggestion that it be expedited. Senator Nichol has a very distinguished guest and good friend under the South balcony. I can't find my note now, Senator Nichol, but it was a young lady by the name of Yekel as I recall. Miss Yekel, could you stand and be recognized please? I would also like to announce the Clerk will have a resolution on the celebration of Ag Day today but the Cowbells are in the rotunda which is an auxiliary of the Nebraska Stockgrowers Association and they are serving beef in the rotunda, of all things, and they ask you to stop by there for a snack. Mr. Clerk, do you have a resolution?

CLERK: Mr. President, I have a communication from the Governor. Read. (See pages 1378 - 1380, Legislative Journal.) Mr. President, Senator George would like unanimous consent to be excused on March 21 until he arrives. Mr. President, Senator Kremer asks unanimous consent to print amendments to LB 800 in the Legislative Journal.

PRESIDENT: We come to LB 663.

CLERK: Mr. President, LB 663 was a bill introduced by Senator Koch and Senator Warner. Title read. The bill was read on January 5th of this year. It was referred to the Education Committee. It was advanced to General File. There are no amendments pending, Mr. President.

PRESIDENT: Senator Koch.

SENATOR KOCH: Mr. President, members of the body, I ask unanimous request to bracket LB 663 to March 27.

PRESIDENT: Is there an objection? Seeing none, it is... no, wait a minute. You asked for unanimous consent?

SENATOR KOCH: Mr. President, yes, I did. It would be March 28. I think we are in recess on the 27th?

CLERK: Yes, sir, I think we are.

SENATOR KOCH: In that case, Mr. President, my motion would be March 28th.

PRESIDENT: Is there an objection? Seeing none, it is so ordered, Senator Koch. All right. Take the resolution, Mr. Clerk.

CLERK: Mr. President, I have LR 108. Read. (See pages 1381 and 1382, Legislative Journal.) Mr. President, I have a motion on the desk. Read motion offered by Senator Schmit found on page 1382, Legislative Journal.

PRESIDENT: Senator Loran Schmit.

SENATOR SCHMIT: Mr. President and members of the Legislature, I ask your permission to suspend the rules and take up this resolution today because today is the day which has been designated as Ag Day and, of course, it would be more appropriate to take the resolution up today than to allow it to lay over for one day. I move.
